CERTIFICATE OF CONFORMITY

Westar Supernova

Product Information

Product Code:	XLS3
Lot Number:	TG13A-XP
Description:	Enhanced chemiluminescent substrate for Western Blotting
Components:	Luminol-Enhancer Solution, Cod. XLS3L, Lot TG13B-AR Peroxide Solution, Cod. XLS3P, Lot TG13C-AR
Storage:	RT
Stability/ Expiry Date:	Components provide a kit performance stable for 12 months from date of receipt when stored properly.
Document Release Date:	14/07/2026
Document Revision:	00

Conformance & Quality systems statement

This document certifies that the product complies with the manufacturer specifications and its ISO 9001 Quality System.

The product was tested according to documented internal quality procedures and approved since it meets the required specification.

Approved: Maria Elena Vettraino — **QC Manager**

Reviewed: Federica Radaghieri — **Production Manager**

Cyanagen warrants that its products conform to the information contained in this and other Cyanagen publications. Purchaser must determine the suitability of the product for its particular use.
